

Language Selection

Change Language of the Survey

At the top of the Welcome page, to the far right is a language selection drop down field. Click the arrow to the right of the language to see all of the choices.

After making your selection, your browser may prompt to ask you if you want to translate this page. If it does, click "translate" or "yes".

Once you have completed language selection, you can now advance to the next slide and complete the survey. Every available translation will now be made.
